Hermits of St. Giles

Hi Everyone, Suffering is something we all do. We are all in this together. Suffering comes in all shapes and sizes. One thing it truly does, is that suffering effects our emotions. It can often be overwhelming to us. What I work on remembering is that we are not alone. We have each other to support each other. This is a beautiful truth. We are a spiritual family and Christ Jesus is right in the center of all of us. He stands with us with arms wide open. He is always there to help us carry our crosses. When we fall He is right there to pick us up, brush off the dirt and continue to walk beside us always and forever. Remain firm in your faith that the Church is definitely our spiritual family and that Christ Jesus is always our center. Have a blessed week.

Love and prayers, b.Mark, Hermits of St. Giles

The Hermits of St. Giles is an association of disabled men and women who are homebound because of chronic illness and disability. Their ministry to the church is to offer their sufferings for all through prayer.
