What our couples say:

"Our Lady of the Assumption Church was a memorable location for our wedding since it was the church that I grew up going to. Father Steve did a wonderful job with the ceremony and everything went so smoothly thanks to the coordinator. It was definitely a great experience that we will always remember." ~ Jeana Scarlett

From the Father of one of our Brides: "Thank you for your great work and art in handling the wedding for Krisztina and Patrick. You are very good at your job. Your musicians gave us seamlessly beautiful music; both the bride and the groom and all who attended were quite moved by it." ~ Gerry Escallier Wedding July 24, 2010.
